RESOLUTION NO. _____

RESOLUTION SUPPORTING SB 510 OR SIMILAR
LEGISLATION THAT WOULD PROVIDE CRIMINAL
PENALTIES FOR CONVICTED SEXUAL PREDATORS WHO
USE OR OPERATE A DRONE TO VIEW OR RECORD AN
IMAGE OF A MINOR UNDER CERTAIN CIRCUMSTANCES

WHEREAS, Senate Bill (SB) 510 has been filed for consideration during the Florida Legislature's 2016 session by Senator Dorothy Hukill (R – Port Orange); and

WHEREAS, SB 510 would provide criminal penalties for convicted sexual predators who use or operate a drone to view or record an image of a minor under certain circumstances; and

WHEREAS, specifically, it would be a third degree felony for a convicted sexual predator to use a drone to view or record an image of a minor at the minor's home, or at a business, school, child care facility, park, playground, or other place where children regularly congregate; and

WHEREAS, Miami-Dade County has a compelling interest in protecting children from predatory sexual activity; and

WHEREAS, the County has already taken efforts to address this issue by prohibiting sexual predators and sexual offenders from establishing temporary or permanent residency in certain areas where children are known to regularly congregate, by prohibiting the renting or leasing of certain property to sexual predators or sexual offenders if such property is located where children are known to regularly congregate, and by restricting access of sexual predators and sexual offenders to parks and child care facilities; and

WHEREAS, Florida law also prohibits sexual predators from being in areas where minors generally assemble; and

WHEREAS, a drone is a powered, aerial vehicle that does not carry a human operator and can fly autonomously or be piloted remotely; and

WHEREAS, some drones have the ability to capture and transmit images from one location to a person remotely piloting the aerial vehicle in another location; and

WHEREAS, technological advances in the field of drones, coupled with their increased availability, have led to new privacy concerns; and

WHEREAS, one such concern is that by using drones, sexual predators could attempt to circumvent current laws that restrict where they may be present; and

WHEREAS, the State Legislature has already restricted the use of drones in a number of ways to protect individuals' privacy, including limiting law enforcement agencies' use of the technology; and

WHEREAS, this Board would like to express its strong support for SB 510,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 1. Supports SB 510 or similar legislation that would provide criminal penalties for convicted sexual predators who use or operate a drone to view or record an image of a minor under certain circumstances.
